ページ	箇所	誤	正
138	Q-4 図内の 記号	 <p>The incorrect graph shows torque on the vertical axis and speed on the horizontal axis. Curve A starts at a high torque at zero speed and decreases. Curve B starts at a lower torque at zero speed, rises to a peak, and then falls. Curve C starts at zero torque at zero speed and rises. Curve D starts at a low torque at zero speed and rises. In this version, curve B is the highest peak.</p>	 <p>The correct graph shows torque on the vertical axis and speed on the horizontal axis.
